Dear *Mr Baise,*

I am writing to let you know that your son Michael has arrived safely at the Junior Leaders Regiment at Donbury.

He will be in the Junior Wing for the first six weeks and then on successful completion of his initial training he will join a Squadron of this Regiment. You will receive reports of his progress at the end of each term, but if at any time you have worries about him, please do not hesitate to write, and we will let you know how he is getting along. Similarly if any circumstances arise at home which could affect his work here, we would be most grateful if you would let us know, so that he can be given the extra encouragement and support to enable him to get over it.

Yours

sincerely,

D. R. Deaton
